## INTRODUCTION

Dickson Furniture Manufacturers has been producing some of the best furniture in the market since 1976. Unlike many in the industry, we make our furniture in-house in the USA. We design, engineer, and build it ourselves at our facility in Houston, Texas.

Whether you are interested in an item from our running lines or want a unique piece just for you, Dickson is here to help. We can also customize one of our existing designs to fit your style. From custom pieces to our own designs, you can trust that the furniture you receive will be durable, safe, and built with high-quality materials.

Dickson Furniture Manufacturers services the hotel hospitality, corporate housing, off-campus student housing, and other multi-family housing sectors with quality, cost-effective, design-engineered furniture made to the customer's design-intent and fabricated in the Lone-Star State.

Thank you for supporting American jobs!

## THE DICKSON DIFFERENCE

### MADE IN THE USA

Manufacturing in the USA allows Dickson to control the quality of the end-product, minimize lead times, and ensure eco-friendly solutions and community building throughout the entire process from supplier partners through delivery to the property.

### INGENUITY

Creating value-engineered solutions, case goods designed and constructed with replaceable tops, introduced several products to the Student Housing industry, such as memory foam mattresses, metal-banded laminate solutions 2-position chair, and the waterfall seat.

### QUALITY CONSTRUCTION

Dickson Furniture Manufacturers construct products with HPL tops, elite finishes, fully-edge banded solutions, and more to ensure lasting durability, functionality, and beauty for the life of our products, providing superior durability and keeping your rooms looking great.

### EXCELLENT CUSTOMER SERVICE

Our people are the center of everything we do at Dickson Furniture Manufacturers and the foundation of what makes us different. We fix issues, find solutions, and create partnerships with our clients for years to come.
